

THE 4th WORLD CONGRESS ON CONDITION MONITORING

NH MILANO CONGRESS CENTRE · MILAN · ITALY

25-28 AUGUST 2026

The 4th WCCM will take place on August 25-28, 2026, at NH Milano Congress Centre, Milan, Italy. The primary objective of the World Congress on Condition Monitoring (WCCM) is to facilitate the global exchange of research and applications in Condition Monitoring (CM) and related areas, with a strong emphasis on scientific and technological advancements, industrial applications and international cooperation. The Congress serves as a worldwide platform for scientists and professionals from both academia and industry to share knowledge and insights. The event is organized in collaboration with condition monitoring and NDT societies worldwide.

Previous WCCMs

- 2017: WCCM 2017 London, UK
- 2019: WCCM 2019 Singapore
- 2024: WCCM 2024 Beijing, China
