

27 March 2014

EFNDT Award

Dear President

By tradition EFNDT Awards and Recognitions are presented at the European Conference for NDT. This year, the 11th ECNDT organised by the Czech Society for NDT takes place in Prague. Once again we will take the opportunity to present the EFNDT Awards at the festive occasion of the Opening Ceremony of the Conference on 6 October 2014.

[The EFNDT Operating Procedure 3](#) defines the procedure by which the EFNDT wishes to recognise the work of individuals and companies who provide outstanding service in support of NDT.

There are four different types of awards and recognition:

1. Recognition of Voluntary Effort in NDT
2. Recognition of young scientists
3. EFNDT Award
4. EFNDT Travel award

We want to encourage your society to nominate suitable candidates for the different awards and recognitions. Your contribution would be highly appreciated.

We are looking forward to receive your nominations with a brief explanation of your proposal until 31 May 2014. The decision will be made by Directors of EFNDT at the beginning of June 2014.

Best regards and see you in Prague

Dr. Matthias Purschke
